Harold Newsome Enhances Employee Health with Latus Group

Recognising the need for regular health surveillance to manage occupational health risks, Harold Newsome Ltd partnered with Latus Group UK to implement a **bespoke Health Surveillance Program**.

By partnering with Latus Group UK, Harold Newsome Ltd has successfully implemented a robust health surveillance program that not only complies with legal requirements but also **enhances the health and well-being** of its workforce. The proactive approach to occupational health has resulted in improved productivity, reduced absenteeism, and a safer working environment for all employees. This partnership continues to demonstrate the value of prioritizing workplace health in high-risk industries.

BENEFITS

- Improved Employee Health
- Reduced Absenteeism
- Enhanced Employee Morale

“Your operatives were friendly attentive and professional. A credit to your organisation.”
