## KERRY LOGISTICS

Kerry Logistics Ltd partnered with Latus Group to deliver a comprehensive health surveillance program for its workforce. Latus Group provided a tailored health surveillance package, which included **audiometry, HAVS (Hand Arm Vibration Syndrome) testing, skin assessments, and spirometry.**

Through this comprehensive health surveillance program, Kerry Logistics reinforced its dedication to workforce well-being and regulatory compliance. By working with Latus Group, Kerry Logistics Ltd took significant steps toward protecting and promoting employee health and safety. The success of this initiative highlights Kerry Logistics' commitment to creating a safe, supportive, and sustainable work environment.

***“Very easy booking process and extremely details health checks.”***
