### R HEATRICK LTD

R Heatrick Ltd partnered with Latus Group to implement a comprehensive health surveillance program covering key areas: **audiometry, musculoskeletal assessments, skin assessments, and spirometry.**

This comprehensive health surveillance program not only safeguarded R Heatrick Ltd's workforce but also reinforced the company's commitment to its employees' long-term well-being.

These targeted screening services have allowed the company to detect and address health issues early, **preventing long-term damage and promoting a healthier, more productive workforce.**

***"The 2 day Health Surveillance exercise appeared to go well and our site operatives were quite receptive."***
